

45th KSRM 2026

Date October 23(Fri)-24(Sat), 2026

Venue Convention Center Sejong University, Seoul, Korea

Personal Information

Title (i.e. Pf. Dr. etc)	Prof.	
Name (Last name_First name)	Yixin Zhang	
Degree (i.e. MD, Msc, PhD)	M.D., PhD	
Country	China	
Affiliation	Shanghai Ninth People's Hospital	
SNS ID (Optional)		

Curriculum Vitae

Professor, Chief Physician, Doctoral Supervisor,
 Administrative Deputy Director, Department of Plastic and Reconstructive Surgery,
 Chief, Division of Reconstructive Microsurgery Chief, Division of Scar Comprehensive Treatment Shanghai Ninth People's Hospital,
 Shanghai Jiao Tong University, School of Medicine.
 Shanghai Outstanding Academic Leader,
 Shanghai Excellent Technology Research Leader.
 2018, Godina Award, American Society for Reconstructive Microsurgery (ASRM) .

Clinical and Scientific Research

Yixin Zhang has dedicated long-term efforts to clinical and scientific research in the field of tissue repair and microsurgical reconstruction:

- Microsurgery for tissue repair and organ reconstruction, expert in breast, nasal plastic and reconstructive surgery, functional repair such as tracheal and esophageal reconstruction after head and neck tumor surgeries.
- Scar Management, Plastic and Reconstructive Surgery of facial tissues and organs, trunk, and limbs after severe burns and trauma.
- Research and development of nano-materials in novel transdermal drug delivery and novel nano contrast agents for blood vessels and nerves
- Construction of tissue-engineered cartilage and multi-layered skin and their clinical applications in tissue repair.

Over the past five years, Yixin Zhang has led more than 10 projects supported by national (Ministry of Science and Technology, National Natural Science Foundation) and local science and technology development funds. His research output includes over 200 papers in domestic and international academic journals, with over 100 SCI-indexed papers as first or corresponding author. Beyond his research, he has obtained more than 20 patents and held significant editorial roles, serving as chief editor or translator of six books and co-editor for five others.

Major Academic Achievements

Yixin Zhang has Leading position domestically and internationally in the clinical field of tissue repair and reconstructive microsurgery, awarded the Godina Award (by the *American Society for Reconstructive Microsurgery (ASRM)* in 2018; In 2010, first proposed the concept of "Economy of Reconstructive Microsurgery".

Major Academic Appointments

1. Associations:

International:

- Asian Pacific Society for Scar Medicine (APSSM), Chairman
- 3rd Asian Pacific Federation of Societies for Reconstructive Microsurgery (APFSRM), Vice Chairman

45th KSRM 2026

Date October 23(Fri)-24(Sat), 2026

Venue Convention Center Sejong University, Seoul, Korea

- Asian Wound Care Association (AWCA), Academic Executive Committee Member
- World Society for Reconstructive Microsurgery (WSRM), Nominating Committee
- International Confederation for Plastic, Reconstructive and Aesthetic Surgery (IPRAS), Member
- American Society for Reconstructive Microsurgery (ASRM), Committee Member
- American Society for Surgery of the Hand (ASSH), Member

Domestic:

- Society for Scar Medicine, Chinese Association of Plastics and Aesthetics, President
- Society of Repair and Reconstructive Surgery, Chinese Rehabilitation Medical Association, Elected President
- Society of Chronic Wound Microsurgery, Chinese Medical Doctor Association, President
- Society of Tissue Regenerative Medicine, Chinese Medical Equipment Association, Vice President
- Society of Oncoplastic Surgery, Chinese Anti-Cancer Association, Vice President
- Society of Plastic Surgery, Chinese Research Hospital Association, Vice President
- Society of Microsurgery, Chinese Medical Association, Vice President
- Society of Microsurgery, Shanghai Medical Association, President

2. Journals: Serving as editorial board member for four SCI journals including PRS (No.1 in the field of plastic and reconstructive surgery), Deputy Chief Editor of Chinese Journal of Microsurgery, etc.;

International:

- Journal of Plastic and Reconstructive Surgery (PRS), USA, Editorial Board Member
- Journal of Reconstructive Microsurgery, USA, Editorial Board Member
- International Journal of Surgery, UK, Editorial Board Member
- Burns and Trauma, China, Editorial Board Member
- Archives of Plastic Surgery, Korea, Editorial Board Member
- Journal of Plastic and Reconstructive Surgery-GO, USA, Editorial Board Member
- Annals of Oral & Maxillofacial Surgery, Europe, Editorial Board Member
- Journal of Plastic and Aesthetic Research, China, Editorial Board Member

Domestic:

- Journal of Tissue Engineering and Reconstructive Surgery, Chief Editor
- Chinese Journal of Microsurgery, Deputy Chief Editor
- Chinese Journal of Reparative and Reconstructive Surgery, Deputy Chief Editor
- Chinese Journal of Aesthetic and Plastic Surgery, Deputy Chief Editor
- Chinese Journal of Burns, Standing, Standing Editorial Board Member
- Chinese Journal of Plastic Surgery, Editorial Board Member

3. Concurrent and Visiting Professor Positions: Yixin Zhang has been awarded visiting professor at 15 world-renowned institutions including *Mayo Clinic, UT MD Anderson Cancer Center, University of Tokyo*, etc and been appointed as guest professor at *Institute of Burn Research, State Key Laboratory of Trauma and Chemical Poisoning, Southwest Hospital, Third Military Medical University, Chongqing, Hunan Cancer Hospital- The Affiliated Cancer Hospital to Xiangya School of Medicine of Central South University, Chinese PLA General Hospital & Medical College*, etc.

Personal Major Honors

1. 2019, Shanghai Outstanding Academic Leader
2. 2019, Third Bethune's Good Doctor Honorary Title awarded by Chinese Medical Doctor Association and Bethune Spirit Research Association
3. 2018, Godina Award by American Society for Reconstructive Microsurgery (ASRM)
4. 2018, Shanghai Excellent Technology Research Leader
5. 2018, Shanghai Education Commission Plateau Peak Discipline Construction—Clinical Medicine (Class I)

45th KSRM 2026

Date October 23(Fri)-24(Sat), 2026

Venue Convention Center Sejong University, Seoul, Korea

Peak) "Research-Oriented Physician" Second Round Excellent Tracking Plan

6. 2015, Shanghai Education Commission Plateau Peak Discipline Construction—Clinical Medicine (Class I Peak) "Research-Oriented Physician"

7. Fosun Science and Technology Innovation Award of Chinese Association of Plastics and Aesthetics (First Completer)

8. 2014, Outstanding Physician Award by Chinese Medical Doctor Association
